

How You Can Support Kids' Chance

Kids' Chance of America relies on the support of our corporate partners, industry colleagues, friends and family to further our mission. As a non-profit organization, your help is critical to our success. Your commitment or contribution will make a difference in the life of a child whose educational opportunities have been dramatically limited because of a serious or fatal work-related injury to a parent or guardian. You will help us reach our goal of providing more money for more kids!
