Ariel T.

Kids' Chance of Michigan Scholarship Recipient

“My name is Ariel and my dad died [in a work related accident]. One of his co-workers went up to my mom and told her about the Kids' Chance scholarship. So when it was my senior year in high-school, I applied for it.

I was really thankful when I got it. It's allowed me to go and study at the college of my dreams. It's been a huge blessing.

It has made going to college a lot easier for me. I'm really thankful for everything that people do for me and have given me, and I just want to thank you all.”
