

Our Vision

We envision a time when all children affected by a parent's work-related injury or death can pursue their educational dreams without financial burden.

Our Mission

To create a strong Kids' Chance presence in all 50 states by providing national visibility, financial support, and best practices to each state Kids' Chance organization.

Kids' Chance organizations across the nation, since the inception of Kids' Chance, have awarded over **6,500** scholarships totaling over **\$20,000,000!**

"My father was killed when I was thirteen years old in a workplace accident.

I have just been so grateful for this scholarship. It has definitely eased some of the burden of college costs for me – I will be graduating this time next year.

I am so thankful for and blessed by everyone at Kids' Chance, and I hope I'm making them proud as well."
